

Project Profile

BAYLOR UNIVERSITY PENLAND HALL

Location:	Waco, Texas
General Contractor:	The Beck Group
Architect:	KSQ Architecture
Scope/Services:	Framing, Drywall & Acoustic Ceilings

The renovation of the original 169,000 square foot 4-story building that opened in 1960 includes updated resident dorm rooms, restroom facilities, community kitchen, a welcoming lobby, new study, social and spiritual spaces, a new Chaplain residence and faculty-in-residence apartments

Located on the first floor of Penland Hall is the university's largest food court that seats over 1000 students.
