

Project Profile
FIDELITY SOUTHWEST REGIONAL HEADQUARTERS CAMPUS

Location: Westlake, Texas
General Contractor: The Beck Group
Architect: HKS, Inc.
Scope/Services: Framing, Drywall & Acoustical Ceilings

Awards: LEED Gold Certification
Beck Subcontractor of the Year

The Fidelity Southwest Regional Headquarters Campus is a multi-phased project encompassing several buildings totaling over 620,000 square foot in addition to an 821,000 square foot parking garage. The facilities include a fitness center, cafeteria, wellness center, parking garage and deck/pavilion. By incorporating sustainable elements and construction procedures, the project was certified LEED Gold.

Unique features included built in-place roof trusses as well as roof gutters.
