

Project Profile

TEXAS CHRISTIAN UNIVERSITY – BROWN-LUPTON UNIVERSITY UNION

Location:	Fort Worth, Texas
General Contractor:	Linbeck Construction
Architect:	CannonDesign \ Hahnfeld Hoffer Stanford
Scope/Services:	Framing, Drywall & Acoustical Ceilings

In the heart of the TCU campus, this new 145,700 square foot facility is the university's newest Student Commons. The 3 story building features an outdoor dining area, 14 meeting rooms, a 600 seat ballroom, 350 seat auditorium, the campus post office and multiple retail and restaurant options. A landmark 130 foot bell tower stands high above the building drawing students to the center of the campus.

Located on the 2nd floor is the University's largest dining location on campus, featuring acoustical clouds throughout the area.
