

Project Profile
**TEXAS CHRISTIAN UNIVERSITY –
SMITH ENTREPRENEURS HALL**

Location: Fort Worth, Texas
General Contractor: Linbeck Construction
Architect: Hahnfeld Hoffer Stanford
CannonDesign JV
Scope/Services: Framing, Drywall & Acoustical
Ceilings

Built in 2003, the new 53,000 square foot building spans 3 stories tall and provides a learning environment for the students of the Neeley Entrepreneurship Program. The new building consists of multiple commons areas, conference/meeting rooms, interview rooms, student team rooms, a lounge, a deli as well as a cyber café.

Suspended from cantilevered steel trusses on the 3rd level, the perimeter wall appears to push out from the main structure.
