

## Project Profile Midland Bible Church

<b>Location:</b>	Midland, Texas
<b>General Contractor:</b>	The Beck Group
<b>Architect:</b>	The Beck Group
<b>Scope/Services:</b>	Framing, Drywall & Acoustical Scope

The Midland Bible Church was constructed on the church's new 15 acre property in Midland, TX . Within the church there is a 500-seat sanctuary, children's ministries, bookstore, fellowship hall, youth and adult ministry areas and offices. A central plaza is at the core of the church that connects each area and provides space for church activities.

The various wood ceilings are a significant element that can be seen throughout most of the church
