

Project Profile
LOVE FIELD AIRPORT BAGGAGE CLAIM HALL

Location:	Dallas, Texas
General Contractor:	Hensel Phelps Construction
Architect:	Corgan Associates, Inc.
Scope/Services:	Framing, Drywall & Acoustical Ceilings, Specialty Metal Ceilings

Awards: **LEED Gold Certified**
Energy Star Labeled

As part of the Modernization Program at Love Field Airport, renovation of the original baggage claim area began in 2013.

By utilizing existing airport systems, the project was able to be completed a full year ahead of schedule.
